If I get a trial in the Federal court I am sure I will be acquitted, but if I have to stay in the State courts I will undoubtedly be convicted."

a Grippe and Pneumonia.

Pneumonia often follows a grippe but never follows the use of Foley's Honey and Tar. It cures the grippe coughs and prevents pneumonia and consumption. As for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Osgood St., Chicago writes: My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. John Gass, one of the best-known and oldest merchants of Paris, is dead.

Senator McCreary, who is in Washington for the session, says he is not bothering in the least over the report that the State machine, if it gets Blackburn's scalp, will next go after him. Said he: "It has been the rule of Kentucky democrats to give a United States Senator two terms, and I do not expect to be made an exception to the rule. It looks now as if I would have an easy time in my campaign in 1907. More than two-thirds of the State Senators who were elected this fall, and who will hold over until then, are already for me. I have always responded to the will of the democratic party and helped to fight its battles. In 1900, when the State had been going republican for six years, I was requested to take charge of the democratic campaign and did so. Mr. Beckham, who was our candidate for governor, was elected by a big majority, and the largest vote ever cast in Kentucky was polled that year. I redeemed the State and it has been going democratic ever since."

A Certain Cure for Croup.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Give it and a quick cure is sure to follow. Mr. M. F. Compton of Market, Texas, says of it, "I have used Chamberlain's Cough Remedy in severe cases of croup with my children, and can truthfully say it always gives prompt relief." For sale by all druggists.

The Heiress—"But how can you love me when I'm so cross-eyed?"
The Suitor—"You are not cross-eyed, dear. Your eyes are so pretty that they couldn't help trying to look into each other—that's all."

In Mad Chase.

Millions rush in mad chase after health, from one extreme of faddism to another, when, if they would only eat good food, and keep their bowels regular with Dr. King's New Life Pills, their troubles would all pass away. Prompt relief and quick cure for liver and stomach trouble 2c, guaranteed at G. L. Penny, Stanford, Lyne Bros., of Crab Orchard.

PLEASANT POINT.

Hog killing is the order of the day in this community.

Our school is quite a success with Elmer Gilliland as teacher.

Rev. R. R. Noel, pastor of our church, has been called for another year.

Tobe Jeffrey's house burned last week. Elmer Gilliland was living in it and lost all of its contents.

It is encouraging to know that we are to have a new schoolhouse. Our superintendent tells us we will have one soon.

The spelling matches between our school and Kingsville proved very interesting. Pleasant Point won two out of three contests.

The most brilliant and largest banquet in the history of masonry in Kentucky was that given Friday night at the Galt House under the auspices of the Ancient Arabic Order of Noble Mystic Shriners. Nearly 700 nobles of the order, including nearly 150 novices, who had just completed a weary and toilsome march over the "burning sands" to kneel at the mystic shrine, sat down to the banquet board for an evening's rest and entertainment.

No inspection of the female ward of the Central Kentucky Asylum for the Insane, at Lakeland, was made by the November grand jury on account of alleged discourteous treatment of the jurors by the officials. Jurors say they were given no opportunity to inspect any department except the male ward, and were told that their car was "about due." Dr. M. H. Yeaman, superintendent of the asylum, denies the charge of discourtesy.

Doctors Could not Help Her.

"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure." It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this good health is impossible. Penny's Drug Store.

That Boyle county farmer who managed to get eight pounds of gravel into the craw of a turkey that weighed 11 pounds on foot, would not do for president of a life insurance company, but he is onto the methods in a rather crude way, all right enough.—Glasgow Times.

There are 573 pupils in the High School; 333 in the Sixth Ward Building, and 139 in the Fourth Ward Building, making a total of 1,045 children in Somerset's three school buildings. Now what has Brer Ed Walton got to say to that?—Somerset Journal. Brer Campbell talks as big about Somerset's school children as if he had a few.

At a mass meeting at the City Hall at Corbin the old Commercial Club was reconstructed and given the name of a Business Men's Association. F. A. Sawyer, of Louisville, addressed the gathering in an interesting way and was followed by D. M. White, City Clerk, who is still imbued with the spirit of the State Development convention; J. H. Mitchell, president of the Corbin Banking Company; Dr. J. F. Bryant and other leading citizens. The new organization starts out with something like 40 enthusiastic members. The following officers were elected: W. L. Surran, president; J. A. Steele, vice president; D. M. White, secretary and treasurer, and nine of the most prominent business men of Corbin executive committee-men.

A Fearful Fate.

It is a fearful fate to have to endure the terrible torture of Piles. "I can truthfully say," writes Harry Colson, of Masonville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Bucklen's Arnica Salve, is the best cure made." Also best for cuts, burns and injuries. 25c at G. L. Penny, Stanford, Lyne Bros., of Crab Orchard.

The Interior Journal.

E. C. WALTON.

THE Democrats of the House unanimously renominated John Sharp Williams, of Mississippi, for Speaker of the House. Mr. Williams addressed the meeting, making an earnest plea for harmonious action for the benefit of the party. In his speech he outlined the Democratic policy, especially as being apposed to any ship subsidy, and in favor of strong anti-trust legislation and railway rate legislation. The Republican members met in the Capitol at Washington yesterday and renominated Speaker Cannon and all the old officers of the House. Mr. Cannon delivered a speech of acceptance, in which he touched lightly on the desirability of legislation to prevent agreements in restraint of trade, and to regulate commerce among the States and with foreign nations.

As President Roosevelt's special train was passing through North Philadelphia at night, on the return from Princeton to Washington, some unknown person hurled a mason's plumb through one of the windows of the combination car. The missile fell at the feet of Maj. Webb Hayes. The President, who was in his private car, did not know of the incident until an hour later. Some good old fellow Mason perpetrated the joke we opine.

THOSE members of the General Assembly who are going to vote for Blackburn on the first ballot just as a compliment to the old man will find that they won't be able to express another choice, for Paynter will be elected on the first ballot. Like the answer of the little newsboy to his fellow ragamuffin, who begged for the core of the apple he was eating, "There ain't going to be no core."

H. H. SIMMS, who is contesting the election of H. S. McNutt to the State Senate, testified that he is and has been the postmaster at Worthington, and the admission shows that he is ineligible for candidacy under the provisions of the constitution. For the good Lord's sake, do the republicans want to hold offices by the dozens?

A HANDSOME monument with the following inscription has been placed over the grave of Col. Craddock in the Paris cemetery: John Givens Craddock, August 28, 1825—December 24, 1904. Editor Kentuckian-Citizen, Paris, Ky.; editor and writer 55 years; Mexican War Veteran. "Blessed are the merciful, for they shall obtain mercy."

THE trio of Lexington politicians who are trying to make the President reconsider his determination in regard to the appointment of Sam Roberts, are likely singing Psalms to a dead horse. Come back, boys, and cut the cards for another deal. Sam has won this game.

THE St. Louis grand jury thinks that E. G. Lewis is several kinds of a son-of-a-gun. One indictment charges him with a scheme to defraud by improper use of the mails, and the other charges him with defrauding the government out of postage on his publications.

MRS. CHADWICK, the lamented "Cassie," has asked permission to appear in court and testify at length as to her financial transactions. The probability is she will not be granted this privilege if certain prominent financiers can get the ear of the court first.

WE understand Louisville is working itself up into the belief that it will grab the State College away from Lexington. When the rollers are put under the State College it will be moved to Stanford, and no further, mark that, Louisville.

A JEFFERSONVILLE, IND., couple has been divorced after having lived together 37 years. It takes some people a long time to find out what they want.

POLITICAL.

These postmasters are appointed: Drum, Pulaski county, Robert L. Bray; Ritner, Wayne county, Jerry Jones. Mr. Do You appeared as interpreter in the United States court for Pong Kee, who does not want to be sent back to China.

The elections in Cuba resulted in a sweeping victory for the Moderate candidates, every nominee of that party being elected from President Palma to the Provincial Councilors.

It is the belief of Senator Beveridge, of Indiana, that the coming Congress will pass a bill admitting Oklahoma and Indian Territory as one State and Arizona and New Mexico as another.

It is said the Senate Democrats have reached a decision not to vote again for Senator Frye, of Maine, for the Presidency pro tem. of the Senate, but to vote for one of their own party.

At Washington, Nathaniel T. Crutchfield, of Louisville, chief clerk to the commission engaged in codifying the Federal statutes, was dismissed from the position and a Montana Republican was appointed in his stead.

What the republican party in Kentucky needs is a head, shouts the Louisville Herald. You are exactly right, sonny, exactly right. How would Hon. William Godfrey Hunter, of Somerset, suit you?—Glasgow Times.

Thomas J. Scally, State Inspector of Labor, filed his annual report and in it he suggests more stringent laws governing the employment of women and children in factories. He says that 5,360 child laborers are employed in Kentucky.

Former President Grover Cleveland, Gov. Higgins, Mayor McClellan and other prominent men delivered addresses in New York at a celebration of the 250th anniversary of the landing of the Jews to America. Letters were read from President Roosevelt and Vice President Fairbanks.

Congress assembled yesterday in Washington, but it is not expected that any great amount of business will be transacted during the present week. To-day will be devoted to organization and to-morrow the President's message will be read in both Houses. The Senate will adjourn on Thursday until the following Monday. The House may pass an emergency appropriation for the Panama canal this week.

MATRIMONIAL.

A man named Booz, from Pittsburg, Ky., was granted license to marry in Washington City a few days ago.

Mr. James Bolling, a teacher in the Danville public school, and Miss Elizabeth Cox, of Junction City, were married Wednesday afternoon at the home of the bride's parents, Mr. and Mrs. F. M. Cox.—Advocate.

Miss Carrie Sanders and Thompson Hill, both of the Buckeye section of Garrard county, were married at the bride's home, Elder F. M. Tindler officiating. The groom is a prosperous young farmer, and the bride is a handsome young lady who frequently visits Mrs. S. H. Aldridge, of this city.

Miss Nettie W. Gover, the beautiful daughter of Mr. and Mrs. J. F. Gover, of this county, was married in Louisville last week to Mr. Walter H. Worsham. They were accompanied by Mr. C. L. Gover, of Corbin, and Miss Jessie Edwards, of Stonega, Va. The bride is highly accomplished, a cultured and most popular young woman. Beloved by all for her sweet disposition and sunny temperament, she is a social favorite and will make beautiful the home that has been prepared for her reception. The groom, a worthy, christian gentleman, is one of Corbin's most substantial citizens. He comes from one of the oldest and most aristocratic families of Virginia. Immediately after the ceremony Mr. and Mrs. Worsham left for Pensacola, New Orleans and other Southern points. They will be at home to their friends after Dec. 10th. X.

THE INTERIOR JOURNAL has frequently stated and it cheerfully reiterates on this occasion that it has the best newspaper force in the State or country. The editor was indisposed last week and Messrs. J. M. Alverson, H. Rowan Saufley and Robert Fenzel (we name them in this order for the simple reason their ages run that way) got out both issues, and we think our readers will agree that they are up to, if not above the average; did a lot of job printing, set new and changed old advertisements, did some collecting, etc., etc. They not only did the work well but did it cheerfully, and when our fortunes increase sufficiently we propose making each of them a millionaire and supply the latter two gentlemen with first-class dailies. Thinking Mr. Alverson had rather have a seat in the U. S. Senate, we propose to provide him with one if we have to resort to having one made and setting it in the aisle of that august body. They are great boys, all of them, and we only regret that our exchequer will not now do for them that which we are sure to do later. Subscribe for the I. J. at once and help us hasten the matter.

Furious Fighting.

"For seven years," writes Geo. W. Boffman, of Harper, Wash., "I had a bitter battle, with chronic stomach and liver trouble, but at last I won, and cured my diseases, by the use of Electric Bitters. I unhesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." Sold, under guarantee to do the same for you, by G. L. Penny, Stanford, Lyne Bros., of Crab Orchard; at 50c a bottle. Try them today.

Grip Quickly Knocked Out.
"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Egleston of Maple Landing Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."
It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by all druggists.
"Energy," said the young man who had been calling regularly for about a year, "energy and promptitude are wanted nowadays."

The First Requisite of Beauty.
The first requisite of beauty is a clear complexion. Orino Laxative Fruit syrup clears a sallow blotched complexion as it stimulates the liver and bowels, and the eyes become bright and clear. You owe it to your friends to take it if your complexion is bad. Orino Laxative Fruit Syrup does not nauseate or gripe and is very pleasant to take. Refuse substitutes. Penny's Drug Store

CHURCH MATTERS.
The C. W. B. M. will meet in the lecture room of the Christian church tomorrow, Wednesday afternoon at 2:30 o'clock.

REV. GEORGE W. RULAND
Restored To Health By Vinol And Strongly Endorses It.
Prominent men from all parts of the country are indorsing Vinol, and strong testimonial letters from four ministers of the gospel and several physicians have been received within a week. Such unsolicited testimony as this is the best proof of merit any medicine can have.
The Rev. Geo. W. Ruland, of Keene, N. H., writes: "I have used your cod liver oil preparation, Vinol, as a tonic, and I do not believe there is any other medicine that can equal it. It built me up and strengthened me when run down and overworked. Vinol has done for me more than was claimed for it."
"We honestly believe there is no other remedy or cod liver oil preparation known to medicine that has the healing, strengthening power which Vinol has, and if fails to create strength and health for run-down, debilitated people, old people, weak, sickly women and children, nursing mothers, and after a severe sickness, or if it fails to cure a hacking cough, chronic cold, throat or bronchial trouble, or to make those who are too thin fat, rosy and healthy, we will return every cent paid us for it."
Is there a sick, ailing or aged person in Stanford who can afford to ignore this generous offer? Penny's Drug Store.

Nell—Oh, my! Here's a telegram from Jack, of the foot ball team.
Bell—What does it say?
Nell—It says: "Nose broken. How do you prefer it set—Greek or Roman?"
Failed.
All efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It stops the cough, heals the lungs and prevents serious results from a cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world. Penny's Drug Store.

Young Mrs. Doughdust—Oh, Jack, baby spoke his first word to-day. He said "rake-off" as distinctly as you or father could.
The Key that Unlocks the Door to Long Living.
The 85 and 90 years of age, are not the rotund well fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age, will occasionally eat too much or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by all druggists.
